

BATTERY CARE GUIDE & WARRANTY INFORMATION

Please read and understand this battery care guide and warranty information before using your Adventure Kings Battery.

CHARGING & MAINTAINING YOUR BATTERY

Charging and maintaining your battery is essential for maximising its service life as well as gaining the most power from your battery. We recommend only using chargers or regulators that cater to AGM batteries and that will not over-charge the battery.

Never connect your battery directly (without a regulator) to a Solar Panel. This can cause irreversible damage to your battery.

STORAGE

Do not store your battery if discharged, ensure you charge your battery fully before putting it into long-term storage. This will help prevent sulfation, which can lower the overall charge of your battery and shorten its lifespan.

Store the battery in a cool, dry, well-ventilated area, out of direct sunlight.

Additionally, when a battery is in storage, make sure to check/charge the battery regularly to avoid sulphation.

HEAT

Avoid exposing the battery to extreme high & low temperatures (-20°C to +50°C).

These will damage your battery shorting its lifespan.

If your battery is exposed to high temperatures, we recommend that the user ceases charging and moves the battery to a cooler more acceptable environment.

12 MONTH LIMITED WARRANTY

WARRANTY PERIOD

The applicable warranty period, commencing on the date of purchase is 12 months.

WARRANTY CONDITIONS:

- The warranty period is not renewed or extended as a result of a warranty repair or replacement.
- The sales receipt for the battery must be provided as proof of purchase when a claim is made under this warranty.
- The warranty is not transferable and is only offered to the original end-user of the Adventure Kings AGM Battery.
- No employee or agent of Outdoor Supacentre Pty Ltd or Lion batteries is permitted to amend any warranty terms.
- The warranty only applies to Adventure Kings batteries purchased from Outdoor Supacentre Pty Ltd.
- To the extent that any condition or warranty implied by the law is excludable, such condition or warranty is excluded.
- Replacement of Adventure Kings batteries must follow the applicable vehicle manufacturer's recommended replacement intervals.
- Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. The benefits provided to you as the consumer by this warranty are in addition to other rights and remedies available to you under the law.

WARRANTY EXCLUSIONS

The warranty offered by Lion Batteries is void if the defect or fault is caused by:

- a failure to follow installation, operating or maintenance instructions.
- inappropriate or improper use, or use of the Adventure Kings AGM battery for purposes other than that for which it was designed.
- neglect, lack of care in storage, handling, general use or accident.
- repairs, alterations, modifications to the Adventure Kings AGM battery which have been performed by a third party without Outdoor Supacentre Pty Ltd or Lion Batterie's consent.
- tampering or alterations of marking to the Adventure Kings AGM battery.
- foreign contamination.
- overcharging.

The warranty also does not include:

- Cost of consumables or accessories or labour costs.
- Wear and tear.
- Normal or scheduled maintenance.
- To the extent permitted by law, any damage to property, personal injury, direct or indirect loss, consequential losses, or other expenses.
- Changes in the condition or operational qualities of the Adventure Kings AGM Battery resulting from incorrect storage or mounting, or due to climatic, environmental, or other influences.

MAKING A CLAIM

If an Adventure Kings AGM battery fails within the warranty period as a result of a manufacturing or material fault or defect, consumers should:

- Contact Outdoor Supacentre Pty Ltd with their sales receipt at **1800 88 39 64**.
- Outdoor Supacentre Pty Ltd will direct customers to a Lion Branch, for them to send their battery to, at their cost, for testing and warranty determination.
- All warranty assessments and repairs must be conducted by a Lion Authorised Battery Distributor, Branch or Agent.
- Upon receipt of a warranty claim at the Lion Branch, preliminary battery testing will be performed.
- If the battery is presented in an uncharged condition or if the battery requires a discharge test to determine performance, the customer will need to allow extra time for charging and discharge testing.
